Pursue Knowledge. Create Impact.

Welcome to the pinnacle of academic and professional achievement. The Doctor of Philosophy (Ph.D.) in Business Administration at Maestro Global University is designed for seasoned professionals and academics who aspire to contribute original knowledge to the world of business and management.

Our doctoral program transcends traditional learning. It is a rigorous journey of intellectual discovery, where you will delve deep into your chosen specialization, challenge conventional wisdom, and develop research that addresses real-world business challenges.

Why Pursue a Ph.D. at Maestro Global?

Dual Supervision Model:

Benefit from guidance by esteemed faculty from both our Malaysian and Indian campuses, ensuring diverse academic perspectives.

Industry-Integrated Research:

We encourage research that solves actual corporate problems, in collaboration with our extensive network of 2000+ institutions worldwide.

Flexible Mode for Working Professionals:

A structured, yet flexible program design that allows you to balance your professional commitments with your doctoral studies.

Global Research Exposure:

Opportunities for international research presentations, publications, and immersive workshops.

Ph.D

Malaysia:

Block B-15-19, I-SOVO, City Park,
